The Johnston Senior Center the Site for Web-site Kick-off

The site is designed to inform the public about fundraising efforts that directly benefit the town of Johnston. The organization leaders were present along with Mayor Polisena and concerned seniors from the senior center. The transparency of the organization is crucial to fundraising efforts, notes President, Dave DeTora, "We want people to know that we raise funds through the year in order to benefit various organizations in the town, such as youth sports leagues, local church organizations and hospitals, just to name a few. The Lodge also provides grants and scholarships." He continues, "This organization has distributed over \$77, 0000 dollars in Johnston from 2002 to the present and we a very proud of our efforts."

Mayor Polisena agrees with the effort to have information available to the public, "This is a very positive step by a very philanthropic organization. It shows the dedication of FOP Lodge 16 to the cause of good in the town." Seniors at the center for the kick off concur with the step to offer an informational website. Said Clara Tatarka, "This is a great thing, and we are never too old to learn new things and use new technology." The Johnston Senior Center has many computer terminals available for use by the seniors at the center.
